The Red Covered Bridge is the only covered bridge in this area and is a good example of early bridge construction in northern Illinois. The bridge was constructed by Bureau County in 1863 at a cost of \$3,148.57. (\$1,000 was paid by Bureau County, \$600.00 by Pover Township, and \$1,548.57 by public subscription.) A sign on each end advises everyone of the rules governing use of the facility. "Five dollars fine for driving more than 12 horses, mules, or cattle at any time or for leading any beast faster than a walk on or corose this bridge."
